

Waste Tire Facilities
ENVIRONMENTAL INFORMATION
(THIS IS NOT A CEQA DOCUMENT)

Application NO. _____ **Date Filed** _____
(leave blank) (leave blank)

The following information will aid in the environmental review of your application as required by the California Environmental Quality Act (CEQA). IN ORDER FOR YOUR APPLICATION TO BE ACCEPTED AS COMPLETE, ANSWERS TO THE QUESTIONS LISTED BELOW MUST BE COMPLETED TO THE BEST OF YOUR ABILITY. Failure to answer all questions may result in your application being deemed incomplete and returned to you, causing delays in processing. If you need more space, attach additional sheets. Additional information may be required from you to amplify further or clarify the information requested in this form.

EXISTING WASTE TIRE FACILITIES

An existing waste tire facility (WTF) is a facility which received, stored, or accumulated waste tires, or upon which waste tires were discarded, on or before January 1, 1990.

Is the application for an existing waste tire facility:

No _____ Yes _____

If the answer to the above question is yes, please indicate below all changes in the design and operation of the facility that occurred between January 1, 1990, and the date of submittal of this permit application:

GENERAL INFORMATION

1. Name and address of operator: _____

2. Address of project: _____

PROJECT DESCRIPTION

3. Provide a brief description of your project, including but not limited to site acreage, type of construction activity, structures to be built, and project operation.

4. Are the following items applicable to the project or its effects? Discuss all items checked yes or maybe and include as attachments to your submittal.

	Yes	No	Maybe
a. Substantial alteration of ground contours.	_____	_____	
b. Change in scenic views or vistas from existing residential areas or public lands or roads.	_____	_____	
c. Generation of significant amounts of solid waste or litter.	_____	_____	
d. Changes in dust, ash, smoke, fumes, or odors in vicinity.	_____	_____	
e. Alteration of existing drainage patterns.	_____	_____	
f. Facility sited on sloped terrain.	_____	_____	
g. Use or disposal of potentially hazardous materials, such as flammables, explosives, or toxic substances.	_____	_____	
h. Substantial change in demand for municipal services (police, fire, water, vector control sewage, etc.).	_____	_____	
i. Proximity to wetlands, drainage, or bodies of water.	_____	_____	

GOVERNMENTAL REQUIREMENTS

Before a final decision can be made on your Waste Tire Facility Permit Application we must consider, as a responsible agency, the information contained in an environmental document prepared in compliance with the requirements of CEQA. If an environmental document has been prepared for your project by another agency, we must consider it. If one has not been prepared, a determination must be made as to who is responsible for the preparation of the environmental document for your project. The following questions are to aid us in the determination.

5. Contact your county planning or public works department for the following information:

a. Assessor's Parcel No. _____

b. County Zoning Designation _____

c. Will the county have to issue any permits or approvals for your project? _____. If yes, check appropriate spaces below:

Grading Permit _____ Change of Zoning _____
General Plan Change _____ Other _____

d. If any permits have been obtained list permit type and permit number for each permit: _____

e. Contact _____ Phone No (____)

Department _____ Date _____

6. Are any additional state or federal permits required for your project? (i.e., Federal Energy Regulatory Commission, U.S. Forest Service, Bureau of Land Management, Soil Conservation Service, Department of Water Resources (Division of Dam Safety), Reclamation Board, Coastal Commission, State Lands Commission, etc.) For each agency from which a permit is required provide the following information (attach additional pages as necessary):

Agency _____ Permit _____

Contact _____ Phone (____)

Date of Contact _____

7. Has your agency, if it is a public agency, or any permitting agency prepared any environmental documents for your project?

_____Yes, If yes, you must submit a copy of the latest environmental document with this application, including a copy of the notice of determination.

_____No, If no, will any environmental documents be prepared by any permitting agency, other than the CIWMB for your project? Explain:

Note: When completed, the final environmental document (including notice of determination) or notice of exemption must be submitted to the Board. Processing of your Waste Tire Facility Permit cannot proceed until such documents are submitted.

ENVIRONMENTAL SETTING

8. Describe the current land use of the facility site and adjacent properties within 1000 feet of the facility site. Attach photographs of these areas. Date and label photos.

Onsite:

AdjacentProperties:

9. Describe the existing vegetation on the facility site and on adjacent properties. If any threatened or endangered species occur in the project area or on adjacent properties, identify the species and indicate how they will be impacted by the proposed project. These vegetation types should be shown in the photographs submitted.

Onsite:

Adjacent Properties:_____

10. Describe the existing wildlife on the facility site and on adjacent properties. If any threatened or endangered species occur in the project area or on adjacent properties, identify the species and indicate how they will be impacted by the proposed project.

Onsite:_____

Adjacent Properties:_____

11. What changes in the project site and surrounding area will occur or are likely to occur because of construction and operation of your project? Include in your answer such things as appropriate number and size/age of trees to be removed or areas of vegetation/brush removal; area or extent of trenching, grading, excavation, plowing, or road, dam or building construction; etc.

12. Have any archeological reports been prepared on this project, or will you be preparing an archeological report to satisfy another public agency? _____(name and date)

Do you know of any archeological or historic sites located within the general project area? _____ If yes, explain:

CERTIFICATION

Operator certification: I certify that this document and all attachments were prepared under my direction or supervision. I have inquired of the person or persons who manage the system or those persons directly responsible for gathering the information, and certify that the information submitted is, to the best of my knowledge and belief, true, accurate and complete.
